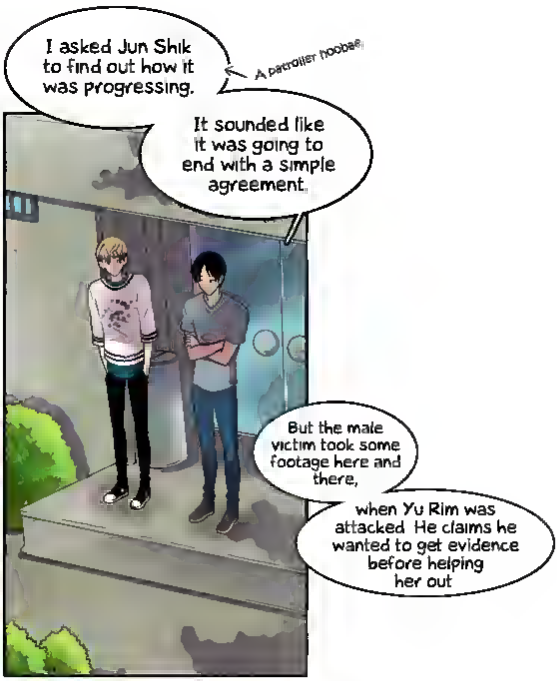
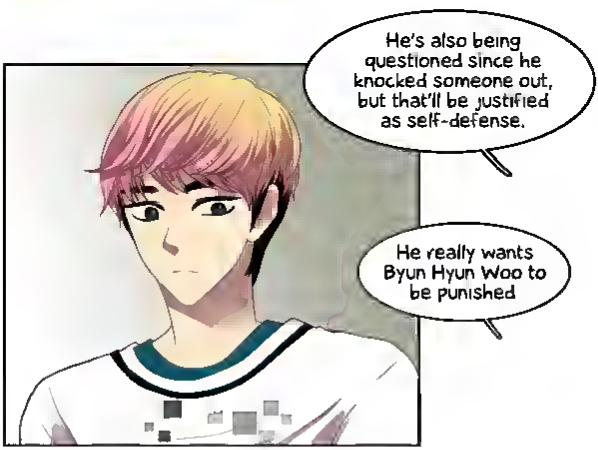
My Shiny World

Story/Art: Maru

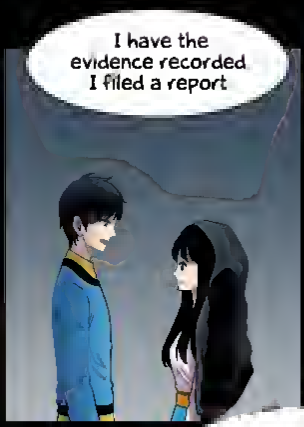


I asked Jun Shik to find out how it was progressing.
A patroller hoobae.
It sounded like it was going to end with a simple agreement.
But the male victim took some footage here and there,
when Yu Rim was attacked. He claims he wanted to get evidence before helping her out

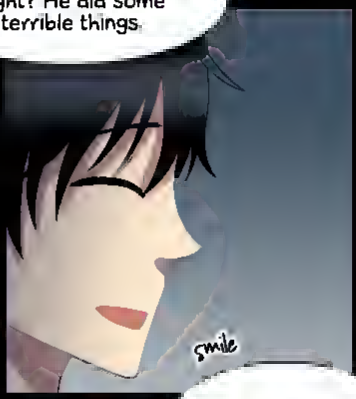


He's also being questioned since he knocked someone out, but that'll be justified as self-defense.
He really wants Byun Hyun Woo to be punished

But the central victim here is Yu Rim.
She hasn't said much.



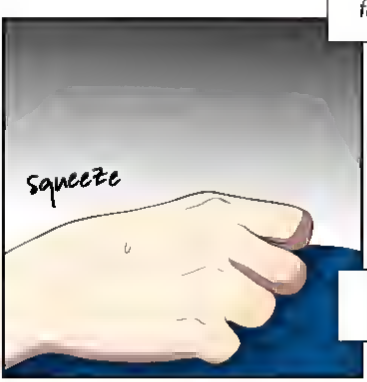
You'll sue him, right? He did some terrible things.



You wouldn't possibly

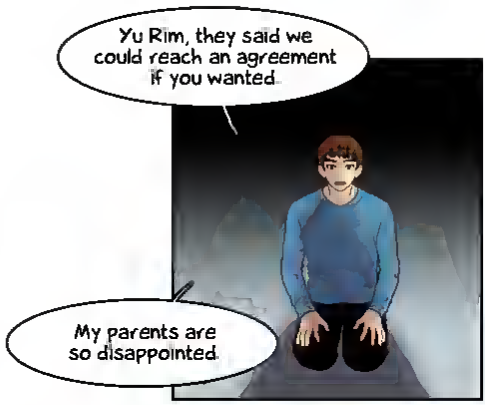
The high road?

Does sunbae-nim think I'll forgive him?



No...

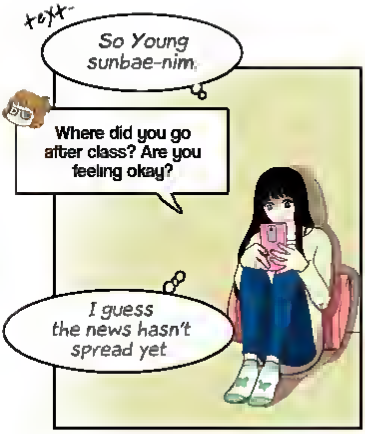
Even though he scared me with his box cutter,
I was hoping he would hurt Hyun Woo sunbae right then and there

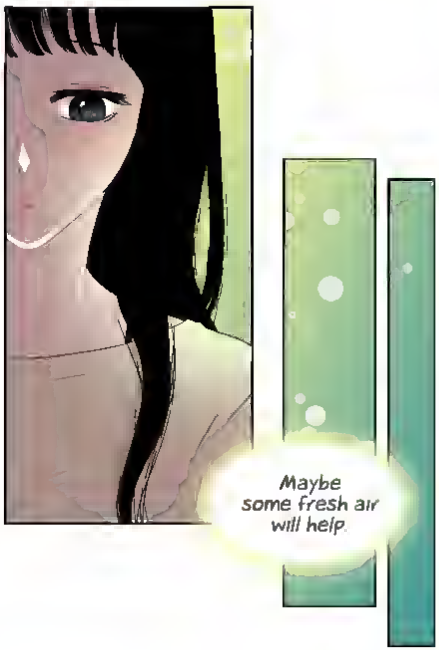


Yu Rim, they said we could reach an agreement if you wanted.
My parents are so disappointed.

Save me this once,
and I won't ever come near you again.

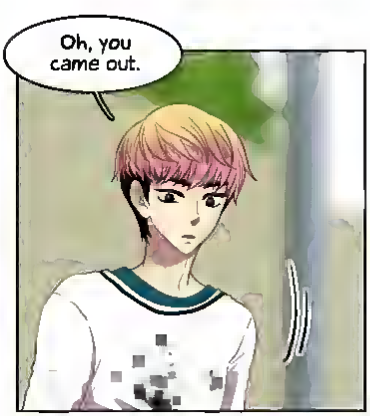
Should I believe that?





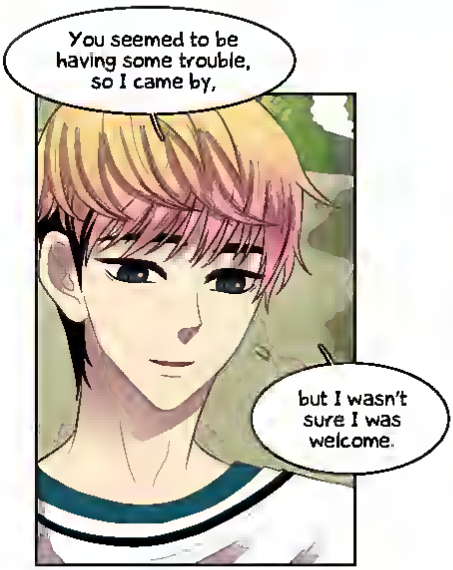
Maybe some fresh air will help.

Creak



Oh, you came out.

Huh? How long have you been here?
10 minutes or so.

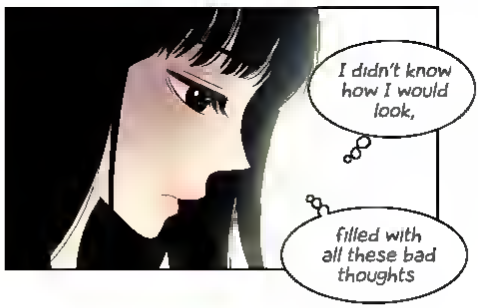


You seemed to be having some trouble, so I came by,
but I wasn't sure I was welcome.

No, I'm always happy to talk to you.

heh-
Right.
hmph-

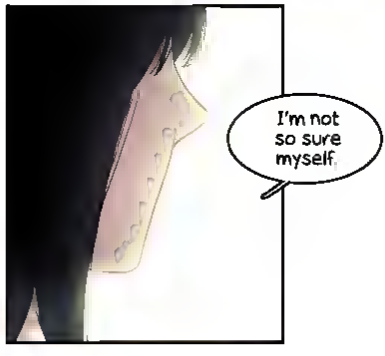
Why didn't you call?
...



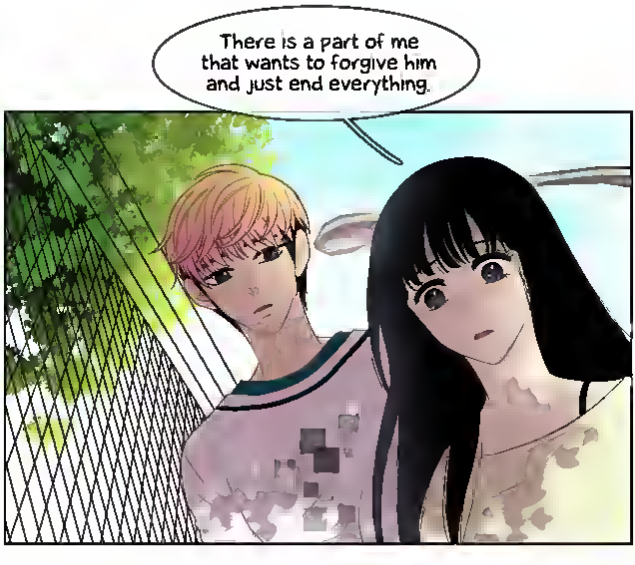
I didn't know how I would look,
filled with all these bad thoughts

You didn't do anything. It's all on him.
Are you going to forgive him?

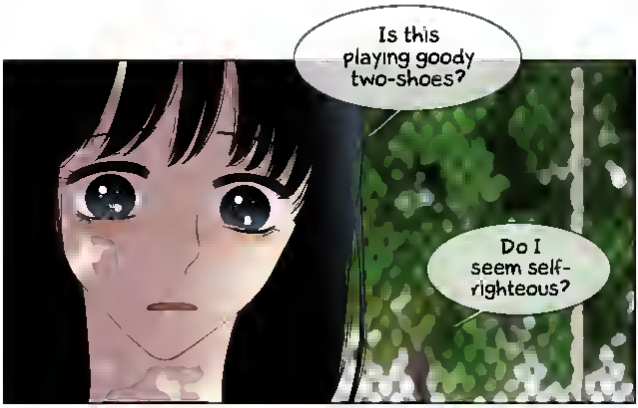
I...



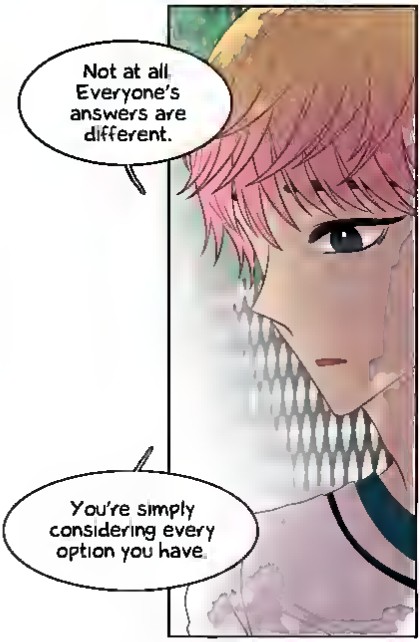
I'm not so sure myself.



There is a part of me that wants to forgive him and just end everything.

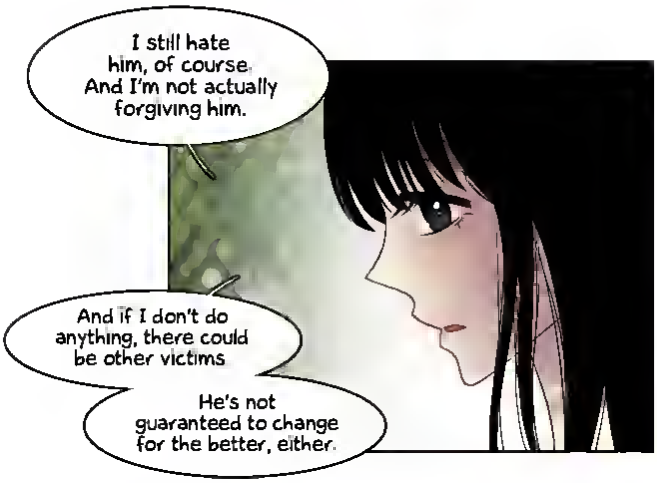


Is this playing goody two-shoes?
Do I seem self-righteous?



Not at all. Everyone's answers are different.
You're simply considering every option you have.

But could I ask why you thought that?
All of this was really hard on you



I still hate him, of course. And I'm not actually forgiving him.
And if I don't do anything, there could be other victims
He's not guaranteed to change for the better, either.

But sunbae at least asked for forgiveness
This won't ever happen again.

Regardless of sincerity, he apologized.

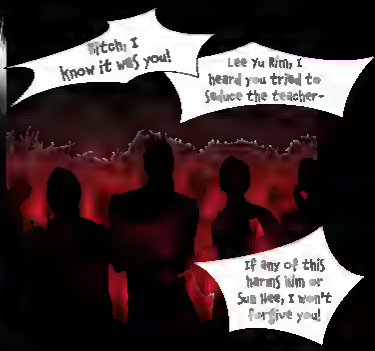
No one told me I was right.

No one even listened.

No one.

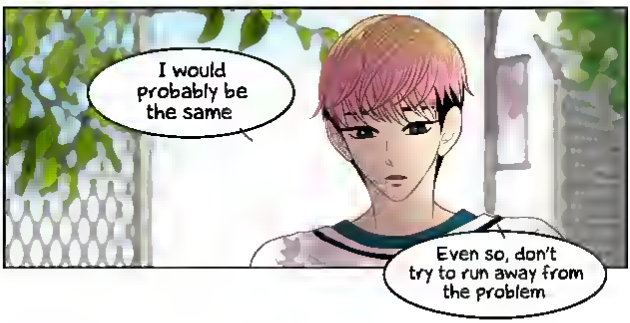
But above all else,

the rumors scare me the most.



Bitch! I know it was you!
Lee Yu Rim, I heard you tried to seduce the teacher-
If any of this harms him or Sun Hee, I won't forgive you!

In the end, I only want to avoid what might happen to me.



I would probably be the same
Even so, don't try to run away from the problem

And you can still always come talk to me
Your friends will listen too, so don't worry.

You just can't be left alone.

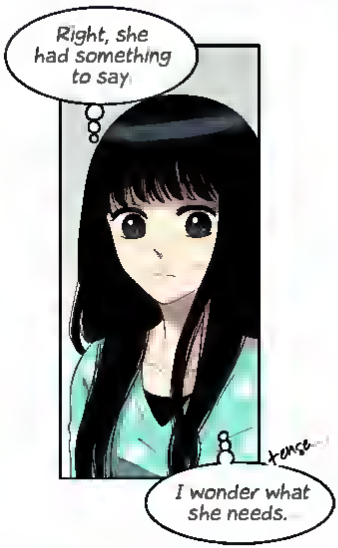
He's the only one who listens to me.

He really cares for me,

but I end up thinking...

세운대학교

Yu Rim,
I need to talk
to you.



Right, she
had something
to say.
I wonder what
she needs.

I heard about yesterday.

Ah, but there haven't been any rumors or anything. Hye Ra somehow found out and went to the police station.

You know, he and I have drunk together in his apartment before
He said he needed to talk about Hye Ra, but he started coming onto me.
WHA
AT
So he's always

I ran out of there
I've never told this to anyone
Since then, I've been trying everything to break up him and Hye Ra
Anyway, Hye Ra realized what a mess she was in. You must have been frustrated too.
Sorry I couldn't help you out.

And you can still always come talk to me
He always approached me first.
Your friends will listen too, so don't worry

Some alcohol would be nice
Um, could I come with you guys?

Of course.
I want to talk about Hyun Woo sunbae
You really wanted to talk, huh?
